ACHIEVEMENTS.

New web site: Regatta announcement, results

Rules update in new format published

Euro micro results published.

New country dynamics: Italy, Slovakia

What can be improved

New continent involvement: Asia, South America, Australia

As Micro WC in June have less participants, target July or August.

NEXT YEAR

Improve communication on overall calendar. All countries main regatta to be on IMCCA web site.
(date, location, expected number of boats)

EuroMicro evolution: we will make a test with more than 1 Euro regatta per country (France, Germany). A sailor is scored with only one result per country.

EuroMicro ranking: A boat is scored in the EuroMicro if he is ranked in at least one EuroMicro Regatta, regardless if it is or not his country. The Regulation C need to be updated (**Action Bartosz Piotrowski**)

Continent support: 3 wild card (1000€ each) to increase participation in WC, Senegal (with the help of Italy).

Overseas communications (any help is welcome)

- of IMCCA treasurer - Mike Vvedenski see enclosed treasurer report

IMCCA is in a good financial position

Only 4 countries on a total of 13 have paid annual fees of 100€

Countries who have paid: France, Germany, Italy, Russia

Poland and Slovakia (promised)

Not paid: Latvia, Lithuania, Netherland, Belgium, Serbia, Spain, Austria

Annual fees to be claimed 1st quarter, after end of March fees to be 150 €

Payment receipt will be sent

Fees to be 60 € for an individual who has no National class in his country.

Reinforcement of rules for nation and competitor payment: Both are mandatory to be ranked in a EuroMicro regatta and to access to World Championship. IMCCA write a text to be included in the NOR. (**Action Philippe Benaben**)
