Riga Sailing Cup is high rank sailing competition and bright adventure on river Daugava in the middle of Riga City Festival events.

Riga City has exclusive competitive advantage regarding sailing area availability and usage for public. Sailing sports and sailing events is one of most healthy, environmentally friendly and exciting ways how to exploit great arena of the river Daugava. Riga City Festival traditionally is a set of cultural and sports events with a program what attracts large public interest. Among well-known activities new, bright and unprecedented projects introduces themselves every year. Riga Sailing Cup regatta had created large interest among local participants and public last year. Euro Micro and Latvian Open Championship in 2014 will complement Riga Sailing Cup with up to 40 participant teams from Latvia, Russia, Poland, Germany, France and other countries.

Right here in the very center of Riga City public will see the most dynamic and exciting dimension of sailing sports with possibility to follow races in reality on water and online - electronically.

Distance is located in the river Daugava between islands Ķīpsala and Adrejsala with large visibility from the coast. Electronic transmission of the regatta with live comments is organized in the regatta venue, as well as possibility to get closer to the racing area on a spectators vessel. VIP zone for following the races from the exclusive point of view with additional convenience for supporters and their guests. Also perfect opportunity to position yourself in attractive and unusual way in-front of your clients and partners is offered by organizers.

- 1 Competition base
- 2 Race Committee zone
- 3 Racing area
- 4 Technical park
- 5 Car parking
- 6 Spectators zone

5 reasons to be in Riga on August 15 -17

1 In 2014 Riga is a European Capital of Culture and there are countless activities in the program dedicated to this project.

2 Regatta is a part of Riga City Festival while almost each street is turned into celebration place with surprises.

3 Riga – pearl of architecture, specially it's Art Nouveau with nothing so gorgeous to be seen all over the world.

4 The Old Town speaks with its medieval ambience, bell dings and roosters as well as cats sitting on top of towers.

5 Quality – in cozy restaurants, in street cafes surrounded with flowers, in bright shopping moles and in friendly farmers or craftsmen shops.

The Riga gulf

Riga

Capital city of Latvia with 700 000 inhabitants is the largest city in the Baltic States. Beautiful Old Town and excellent Art Nouveau architecture will make your stay here unforgettable.

Latvia

Inhabitants: ~2 000 000
Area: 64 000 km²
Currency: euro
Language: Latvian
Foreign languages: English, Russian

Sigulda

Top 3 small town in Europe with 3 medieval castles, fantastic valley landscape of river Gauja and countless active leisure options.

Jurmala

The most popular resort in the Baltic States with white sand beach
