President Report ;

IMCCA Run :

No candidates for IMCCA Treasurer. NED is only one boat, so not an active class, and can't pay IMCCA fees.

IMCCA Running:

Running a Class based on volunteers and sitting in different countries has always been challenging and complicated.

Website is now update regularly , thanks to Regis Mitonneau and Elise Keddam .You are encourage to contact them to post NOR , Regatta results especially for Euro Micro and World Championship .Euro Micro ranking is published , but we have still problems to get results from countries.

We still missed a Treasurer, Jean Louis Hayes and I are covering the activity, with some limits , due to lack of time.

EURO MICRO Results :

We have the following problems:

- 1) Get the results (not crawling internet to find it)
- 2) Presentation in a workable sheet (Excel , not pdf , jpg or html..)
- 3) Identify sailor
- 4) Identify boat and division

To improve process please sends a mail to IMCCA webmaster with:

- 1) Excel spreadsheet
- 2) ISAF ID skipper(free registration on www.sailing.org)
- 3) ISAF Plaque Number of the boat
- 4) Boat division (Proto /Racer/Cruiser)

It is agreed to improve results process with ISAF boat Plaque Number and ISAF Sailor ID for Skipper.

Action: IMCCA President and Webmaster to build a template to be used for results

publishing.
